

 <p>DIS-TRAN PACKAGED SUBSTATIONS</p>	<p>Single Source Procurement - Let us handle gathering & delivering all the materials for your project. Factory-built substations, substation storm-hardening & prefabricated bus, all using 3D engineering & design. DIS-TRAN builds your substation in the factory and ships it to you complete.</p>
	<p>Protective relay & circuit breaker test instruments; Insulation analyzers; SFRA; DGA & Partial Discharge monitors. NEW: F8 Relay Test Sets! Doble offers products from the following subsidiaries:</p> <div style="display: flex; justify-content: space-around; align-items: center;">     </div>
	<p>Coil Innovation specializes in the design, manufacture and sales of air-core, dry-type reactors that are utilized in the generation, transmission and distribution of electrical power as well as industrial applications such as electric arc furnaces.</p>
	<p>Substations & High Voltage: turnkey, unitized skid & modular substations, mobile substations. Switchgear: metal enclosed, medium voltage, custom options. Pad-Mt Primary Metering. Capacitor & Harmonic Filter Banks: metal enclosed, medium voltage, custom options. Custom transformers and reactors. New Line of Capacitors!!</p>
	<p>Solid dielectric reclosers and switchgear; SF6 Switches; Automatic-Transfer Controls and fault interrupters; Medium voltage overhead and underground sensors, cable terminations & joints; current limiting fuses, junction bars, apparatus bushings. NEW: Viper-HV 72kV Recloser!</p>
	<p>Power transformers and shunt reactors, up to 765 kV 2050 kV BIL, 2,200 MVA capacity. Gas Insulated Switchgear up to 800 kV. Factory in Memphis! Talk to us about STATCOM; SF6 and Dry Air Medium Voltage Metal-Clad Switchgear</p>
	<p>MAGNETRON provides Transformers built according to the most advanced manufacturing technology, using new materials of the highest quality. Pad Mount, Pole Mount, Dry Type, Phase Shift, & Variable Frequency. 40+ years of manufacturing experience and processes developed by engineers inspired by concepts of manufacturing the best technologies worldwide.</p>
	<p>Our American-made steel poles and towers meet the specifications of the power transmission market with offerings up to 765kV. Nucor is the largest and most sustainable steel producer in the United States. New Utah manufacturing plant announced!</p>
	<p>Substation Instrument Transformers, Hook Stick & Gang Operated Switches. Porcelain substation insulators, Distribution Pad-Mount gear, Control power transformers and smart switching controllers</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> Fixed-Load Transformers</div> <div style="text-align: center;"> Insulators</div> <div style="text-align: center;"> Disconnect Switches</div> <div style="text-align: center;"> Smart Switching</div> <div style="text-align: center;"> Pad-Mounted Gear</div> <div style="text-align: center;"> Transformers</div> </div>
	<p>With over 60 years of experience, Panelmatic solutions include precision-built custom control panels, relay panels and fully integrated control houses. Power Distribution Centers, Low voltage switchgear and Medium Voltage Metal-Clad switchgear including arc resistant!</p>
	<p>Hot-line Meters measure current to 5000A in environments of 500kV, voltage up to 37,000V, direction of current flow, and power factor. Recorders for primary load and power quality studies.</p>
	<p>SCADA, Distribution Management (DMS), Outage Management (OMS) & Substation HMI. FLISR (Fault Location, Isolation, Restoration); GIS Wizard; SmartVU 3.0 with advanced OMS & DMS.</p>
	<p>Cardinal© and Harley© pumps and exchangers; cooling systems for transformers and generators.</p>

PEAK Measure represents our manufacturers throughout AK, HI, WA, OR, ID, MT and UT.

Exceptions: UT doesn't include SensorLink. MT does not include ITEC. HI doesn't include Nucor & Coil Innovations

Please send PO's, Requests for Quote (RFQ's) and general sales questions to the Inside Sales team: orders@peakmeasure.com

Outside Technical Sales Team:

John Bruns, Sales - 360-606-9353
Sung Kim P.E., Sales - 206-618-9800

Tim Johnston P.E., Sales - 360-270-2112
Andy Kivi, Sales - 509-592-6321

Eric Sagen, President - 509-432-9829
Josh Greene P.E., Sales - 360-605-6833
